Hello,

You should have received a meeting request from me and the representative from RING doorbells for a demo on August 9 @ 10:00. I sat in on the demo earlier this week and believe their free program could be of great use to our department. There are already several RING users reporting items to their app here in Los Banos on a daily basis.

Here is the law enforcement program summary:

Hi Brenda,

Before we proceed with activating Los Banos Police Department Neighbors Portal, Ring will need to schedule our standard in-app announcement. This message comes from Ring and will be viewable to all Los Banos Neighbors app users.

The standard message template can be viewed here and is simply to inform our users and set the stage for your participation on the app. **Once approved, we can move forward with the training.**

Public Announcements & Responding to Press/Media Inquiries

Once your in-app announcement goes live, I'll follow up with a fact sheet and example social media posts. Until then, please refrain from external-facing outreach or publicizing of the Neighbors app and Neighbors Portal.

Please be sure to connect with myself as well as Ring's PR team [REDACTED] regarding any inbound media inquiries about the Neighbors app and Neighbors Portal.

Please reach out with any questions!

All the best,

Neighbors by Ring
Memorandum of Understanding

This agreement is entered into this _____ day of _____, 2019 by and between Ring LLC ("Ring") and Los Banos Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Los Banos' ("City") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to City residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

Hi Brenda Geary

Great news! The access agreement is fully signed. Attached are the documents for your records.

I'm thrilled to introduce your Partner Success Associate, [REDACTED] who will supervise your initial trainings on the Ring Neighbors Portal.

You will receive an email shortly to schedule a 30-minute phone call. The goal is to outline the training process and address any initial questions or concerns that you might have.

Lastly, per our conversation here are suggested coordinators at Los Banos Police Department that can work with the team at Ring:

1. Partnership POC - main point of contact(s) for the Ring Team
2. Press POC - typically the PIO or equivalent who would work with the Neighbors PR team for any initial announcements and ongoing PR support.
3. Social Media POC - person(s) in the department who manages comments on Facebook, Twitter, etc. (if different from #2)
4. Investigative POC - generally a detective who will be your resident expert when the department wants to send a video request. This person will be trained on best practices for commenting and submitting requests.
5. Community Relations POC - person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.

It was a pleasure working with you. You're in great hands!

All the best,

Neighbors by Ring
Memorandum of Understanding

This agreement is entered into this 16 day of August, 2019 by and between Ring LLC ("Ring") and Los Banos Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Los Banos' ("City") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to City residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

Thank you for notifying us of the request that you received under California's open records law. We write to request that the names, email addresses, and other contact information of Ring employees be redacted from public disclosure.

Ring employees have strong personal privacy interests in their names and contact information. As private employees of a private company, moreover, Ring employees' names and contact information are not a legitimate matter of public concern.
